

Tanzania Society of Agricultural Education and Extension (TSAEE)

First Call for 2023 TSAEE Scientific Conference and Call for Papers

The touch base Tanzania Society of Agricultural Education and Extension (TSAEE) is a professional association drawing members from public, private, civil societies, non-governmental organizations, public and individuals. It regularly meets on annual basis to deliberate on policy and technological issues related to extension services and farmers, livestock keepers and fishers empowerment. This is achievable with support from members, Ministry of Agriculture, Ministry of Livestock and Fisheries Development, Presidents' Office Regional Administration and Local Government (PORALG), Sokoine University of Agriculture (SUA), Agriculture stakeholders and development partners.

In this year, the conference will be held from 23rd to 24th November, 2023 in Dodoma. It is planned to be attended by representative extension officers from all levels namely, Village, Ward, District, Region and Agriculture Sector Lead Ministries (ASLMs) (Ministry of Agriculture, Ministry of Livestock and Fisheries Development, Presidents' Office Regional Administration and Local Government (PORALG). Other representatives are from the Sokoine University of Agriculture, Non-governmental Organizations, Civil Societies, producers, Students and other individuals.

Main theme

The Role of Agricultural Extension in enhancing gender responsive climate smart agriculture for transformation of agri-food systems in Tanzania.

Sub-themes

1. Policy environment and institutional frameworks for effective delivery of agricultural extension services

2. Use of gender inclusive approaches and methods in agricultural extension service delivery
3. Youth and women participation in climate smart agriculture
4. Enhancing farming as a business to promote youth and women participation in agriculture
5. Any other topic/s related to the conference theme and sub-themes

This call for paper abstracts (not exceeding 500 words) focuses on the above theme and sub-themes. The call expects to receive two types of paper abstracts namely, **field experience sharing papers and scientific papers** by 30th July, 2023. The TSAEE will review the abstracts, contact the authors by 15th August 2023 and provide guidance to develop full papers for presentation at the conference. The deadline for submission of full papers is 15th September, 2023.

Full papers will be presented using power-point presentation for at most 15 minutes per presentation followed by a 10 minutes question and answer session.

During the conference participants are expected to meet their living costs as well as their transport costs.

All correspondence regarding the TSAEE conference and submission should be directed to the conference organizers through cat_msuya@yahoo.com; vitucekalongwizi@yahoo.com, kidudu@sua.ac.tz; shayoros@yahoo.com, jmasha@hotmail.co.uk.
